Suriname

Quinsny Abelinti is the Co-Founder and General Manager of the employee recruitment company, Joblink N.V. In an effort to reduce the difficulties facing those searching for jobs, especially young people, Joblink N.V. uses its knowledge and professionalism to recruit the best candidates for employment opportunities. Previously Abelinti worked as an educator for the Pan American Development Foundation, where he trained at-risk youth and dropouts in basic pre-employment skills. He holds an

Associate's Degree in Public Administration and International Relations from Anton de Kom Universiteit van Suriname.

Cherelys Dwarka Sing is the Founder, CEO, and CTO of the mobile application and website, Mi Skoro Pasi (My School Path). This platform allows students access to quick and effective information regarding schools and universities in order to motivate them and help them develop a career path. Cherelys also works at a media company that focuses on providing news for youth aged 8-12 years old. She previously worked as an Innovator at Telesur Multimedia Innovation Laboratory.

Jason Jones is the Founder and CEO of Brilliant, a company that connects young people with businesses that need services like content writing, software development, or graphic design. In an effort to decrease the number of college dropouts in the community, Brilliant connects students with part-time jobs they can do remotely. Jason formerly worked on website design and development at Rosheuvel & Partners Business Group. He is pursuing an Associate's Degree in Software Engineering from the

University of Applied Sciences.

Nancy Nunes is the Founder and Director of the hospitality company XpO Hospitality Services N.V. With the goal of improving the standards of service in the hospitality industry, XpO Hospitality Services N.V. provides businesses with best practices training and consultancy. Nancy has extensive experience in the hotel industry, having worked for a number of hotels in Suriname, St. Maarten, St. Lucia, and Antigua. She holds a Bachelor's Degree in Hospitality and Tourism Management from the Suriname College of Hospitality & Tourism.

Kishan Ramsukul is the Founder of Events in Suriname, a company that promotes and captures local functions. Using a website and social media platforms, Ramsukul's company publicizes upcoming events. The platform also utilizes photography and videography to capture the events in real time, as they occur. Kishan is a software developer at the Ministry of Home Affairs. He is a member of Lions Club International.
